

# Undergraduate Student Retention and Graduation Summaries

Table 1: Fall to Fall Retention Rate (Full Time, New Freshman degree seeking students)

Census Reports, OLLU Graduation Reports. OLLU-OIE

**Table 2: Graduation Rates for Our Lady of the Lake University and School of Business and Leadership undergraduates (First Time Full Time Cohort)**

**Note: Caution must be used in interpreting and comparing university retention and graduation rates. Students may fail to graduate from a specific university or college for a number of reason: they may choose to transfer to other institutions; they may experience financial hardships; or they may determine that they are not prepared for the rigorous discipline of a four-year university or college, to mention a few of the more common reasons.**

**Data results based on IPEDS Methodology.**
